

OBJECTIVE

To use my art practice and skills to weave community, to foster intergenerational collaboration, to make beauty, to express myself, and to participate in creating a regenerative culture of earth conscious and connected human beings.

QUALIFICATIONS

- Over twenty years of visual art practice, filmmaking, and multidisciplinary art practice
- Excellent interpersonal skills and leadership skills, establishing comfortable working relations with all collaborators
- Successful in setting goals, meeting deadlines and working well in a team
- Down to earth, supportive and works well with youth and elders from diverse communities
- Resourceful; skilled in analyzing and solving problems
